NOTES: (Cont)

6) All of the LOGSA prepared specifications, standards, handbooks, and policy documents are also available in the JCALS reference library. Many of the other military documents may be as well.

7) Also available is the TMSS Trifold Flyer, dated February 2000, which contains a condensed version of this list as well as other information pertaining to TM preparation. Copies are available from Rebecca Armstrong, DSN 645-0852 or Commercial (256) 955-0852, FAX DSN 645-9850 or Commercial (256) 955-9850, or E-Mail: rebecca.armstrong@logsa.army.mil. The flyer and this list can be handed out to anyone who prepares or is involved with the preparation of TMs. The current version of the flyer reflects most of the information in this iteration of the Procurement Document Control List but there will be some discrepancies between the two. The flyer will be update concurrently with the Procurement Document Control List in the future. Direct your questions to Rebecca Armstrong.

8) This list will be available on the LOGSA homepage (<http://www.logsa.army.mil/pubs/pubs.htm>) by the end of 4th QTR FY 00.

NOTES:

1) Copies of all of the above commercial documents which were adopted by DOD as indicated in the REMARKS column are available from the following address:

Standardization Document Order Desk  
700 Robbins Avenue, Bldg 4D  
Philadelphia, PA 19111-5094

OR FAX your request to: (215) 697-1462. For those that are not DOD-Adopted, you will have to obtain copies from the commercial preparer.

2) Copies of all ISO publications can be ordered form the following website:

<http://www.iso.ch/infoe/catinfo.html>

3) Some of the documents have a later version at the ISO site than what is available from DAPS. It is suggested you order the one from DAPS since this version was adopted by DOD and it would be less costly from DAPS.

4) The following codes are used in the document date column:

COR - Technical Corrigendum - Document issued to correct technical error. Does not change technical nature of the document.

AMD - Amendment -Document issued to change the technical nature of the document.
